PRELIMINARY AMENDMENT

Sir:

In response to the Office Action dated March 28, 2006, please amend the above-identified application as follows:

Amendments to the Claims are reflected in the listing of claims, which begins on page 2 of this paper. Claims 1 and 15 have been revised to incorporate parts of dependent claims 3 and 17, with corresponding deletions in the dependent claims. These claim amendments are supported by the specification, page 6, second paragraph, and Figure 4. Applicants have revised the listing of claims to be considered withdrawn, since a number of claims previously considered withdrawn are clearly generic.

Remarks begin on page 7 of this paper.
